Fields Open  
Awards Night • Ice Cream Social

All games take place at the Old Rockport Elementary School field at 6:00 p.m. The field will be divided so that two games are played simultaneously at opposite ends. If non-scheduled teams wish, they can come and practice on off dates.

If the weather or field condition is bad on any game day, the decision to postpone will be left to the coaches of the two teams scheduled to play. If the coaches disagree, the game will be postponed.

Decisions to reschedule games are left to the coaches' discretion. If you wish to reserve a field for a rescheduled game, please note that availability is on a first-come, first-serve basis.
